Enclosure: (1) [redacted] (4 copies)
(2) Price Analysis (4 copies)

25X1

Gentlemen:

We are pleased to submit our revised quotation (enclosure (1)), of our earlier proposal, reference (a), for the fabrication of a Battery Charger for the Elint System.

This revision was necessary to reflect the change in rates of the personnel involved in the proposed program, and to reflect our current quotation rates for burden and G & A.

The accompanying price analysis (enclosure (2)), has been forwarded to aid you in your evaluation of our proposal and to delineate these changes.

Should there be any areas on which you desire further enlargement, please call on us at your earliest convenience.

Very truly yours,
